

The Ministry of Public Bible Reading **WORKSHOP**

Public Bible reading is not just a church roster.
It is a vital ministry in the Body of Christ,
where God's word itself is proclaimed to God's people.

Simon Camilleri has been passionate about the
ministry of public Bible reading for over 20 years.
His practical workshop will inspire and equip you to read God's word
with clarity, comprehension, conviction and confidence.

*"Simon is an engaging and passionate teacher.
Our group from 6 different church traditions were all challenged
and equipped to respect the public reading of Scripture
and to do it with excellence.*

*I would highly recommend his workshop
to anyone who wants the Word to be truly HEARD!"*

PASTOR MARCY PAYNTER

*"Simon's great workshop will markedly improve
our public Bible reading and gave an excellent framework
for all who are involved in this important ministry.
He rightly elevated the place of Scripture reading
and strengthened the impact of those
who walk up to the pulpit to read aloud."*

PASTOR TONY ARCHER
Woori Yallock Presbyterian, Vic
